Für Eltern und Erzieher*innen

Dieses Heft hilft deinem Kind, die Handgeschicklichkeit aufzubauen, die es zum Schreibenlernen braucht. Schritt für Schritt: gerade Linien, Bögen, Wege, Formen, dann Buchstaben und Zahlen.

So nutzt du dieses Heft

- Kurz halten: ein oder zwei Seiten pro Mal genügen.
- Am farbigen Punkt beginnen und der Linie folgen.
- Ein dicker Stift oder Wachsmaler ist am leichtesten.
- Über die Linie malen ist okay: Lob die Mühe.
- Lieblingsseiten so oft ausdrucken, wie du möchtest.

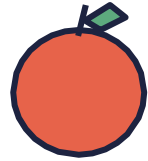

Tipps zum Drucken

- Auf A4 in „tatsächlicher Größe“ (100 %) drucken.
- Die Seiten funktionieren farbig und schwarz-weiß.
- Eine Seite in eine Prospekthülle stecken und mit abwischbarem Stift immer wieder üben.
