Telling the Time

Read and draw the clock, ages 6–8

Ages 6–8

- O’clock
- Half past
- Quarter past and to
- Answer pages

12 printable A4 pages

How a clock works

The short hand shows the hour, the long hand the minutes.

The short, dark hand points to the hour.

The long, coloured hand points to the minutes.

Long hand on 12: the hour is exactly that number, e.g. 4:00.

Long hand on 6: it is half past, e.g. 4:30.

What time is it? (1)

Look at the clock and write the time in the box.

What time is it? (2)

Look at the clock and write the time in the box.

What time is it? (3)

Look at the clock and write the time in the box.

What time is it? (4)

Look at the clock and write the time in the box.

What time is it? (5)

Look at the clock and write the time in the box.

What time is it? (6)

Look at the clock and write the time in the box.
